OUR COMMITMENT TO INDIGENOUS COMMUNITIES

We believe Maple Leaf Matting and our parent company, Strad Inc., can make a difference through strategic partnerships that support the diverse priorities of Indigenous communities. We will Go Beyond so that every group we work with shares economic benefits.

Maple Leaf Matting's Indigenous Relations program, Enigok, encompasses our core purpose as it relates to our commitment to Indigenous communities and partners. Enigok is an Ojibway word which translated means "Going Beyond."

Strad and Maple Leaf Matting joined the Canadian Council for Indigenous Business (CCIB) in 2019, and achieved the **Bronze Certification Level** with their Partnership Accreditation in Indigenous Relations (PAIR) Program in 2022.

INDUSTRIAL MATTING FOR EVERY SECTOR

Maple Leaf Matting offers high-quality environmental access matting and related services for industrial projects of any size for eastern Canada's terrain. Our customer-focused sales team and experienced operations team know what it takes to keep your project on schedule and within budget, that's why we take care of the logistics too.

Matting offers ground protection from the wear and tear of heavy equipment and traffic as well as helps protect against soil contamination. Maple Leaf Matting also offers full-scale mat washing services to meet the cleaning standards some locations demand.
